Sign up if child is interested!

Students will have fun learning the basic elements of musical theatre through acting, dancing, singing and improvisation in a relaxed and supportive environment. In addition students will help create props and set pieces. Benefits are a strengthened self esteem and reading comprehension, as well as the continuing development of positive social skills.

We are delighted to have Kathy Connolly return to lead this enrichment program. Kathy is an award winning theatre Choreographer, Actor and Teaching Artist. She has directed and choreographed New Jersey students K-12 in several original collaborative pieces and traditional musical theatre.
