Students will have fun learning basic acting and theatre techniques. They will work as a creative team to collaborate and write a piece based on a theme (see above).

Theatre builds confidence,creativity, reading comprehension skills, community and teamwork.

Children will participate in:

- Theatre games – building listening skills, confidence, trust, teamwork.
- Theatre vocabulary – learn basic theatre words for acting sets and props.
- Story telling – create and write stories and poems, develop characters.
- Warm-ups-physical and vocal. Physical (relaxation and stretching). Vocal (Breathing, Projection and Articulation)
- Sets-Build and create props for performance
- Performance – Apply acting skills.

We are delighted to have Kathy Connolly return to lead this enrichment program. Kathy is an award winning theatre Choreographer, Actor and Teaching Artist. She has directed and choreographed New Jersey students K-12 in several original collaborative pieces and traditional musical theatre. She has been teaching acting and movement for over a decade. Kathy has performed extensively in productions on Broadway, Off Broadway, Regional and National Tours.
